Defendants.

Case No. 3:21-cv-00364-DCLC-DCP

JOINT MOTION FOR ORAL ARGUMENT

The United Plaintiffs and TeamHealth Defendants respectfully request that the Court hold oral argument on the discovery motions recently filed in this matter. (*See* ECF Nos. 93, 95, 97, 99.) The Court previously indicated an interest in holding oral argument on the omnibus discovery motions during the status conference held on November 21, 2024. The Parties' motions cover more than 40 discrete Requests for Production on issues that each side believes are of critical importance to their respective claims or defenses, as well as disputed designations under the Protective Order (ECF No. 53). Oral argument would provide an opportunity to address any questions the Court may have after reviewing the extensive briefing and may expedite the Court's ability to resolve the issues presented while also preserving judicial resources.

If the Court is inclined to grant the parties' Joint Motion for Oral Argument, counsel for each party is available between April 7-9, 2025. If these dates are not available, the parties will

work in good faith to find additional dates in April that fit the Court's schedule. Based on the foregoing, United and TeamHealth respectfully request that the Joint Motion for Oral Argument be **GRANTED**.

Dated: March 13, 2025

Respectfully submitted,
